Agarwal Parivaar: Diwali to Diwali

Made by Sunita in Jaipur, as the family's Diwali gift to the whole parivaar

Last Diwali: Dadi's rangoli, Pihu's colours. Every year Dadi does the outline and Pihu fills it in.

March: Holi in the aangan. Arjun said he was too old for colours. He lasted four minutes.

And Diwali again. Arjun is taller than Papa now,
and Pihu lit the first diya herself.
