# Annamma and Thomas: Fifty Golden Years

*For Ammachi and Appachan (Annamma and Thomas Kurian), from their four children's families in Kottayam, Kuwait and Houston. A fictional family.*

January 1976. The wedding was fixed over one cup of tea in Pala, and Appachan says he still has not finished that tea.

Four children in eight years, one rubber estate and one very patient cow called Kunjumol. Ammachi ran all of it.

From the Kuwait family, the Houston family and both Kottayam families: fifty years on, you still save the last appam for each other.

The end
