Server-side rendered

ChatGPT can't run JavaScript. Our pages don't need it.

Answer-first content

BLUF, atomic, entity-rich, written to be quoted.

Structured data

Schema for Article, FAQ, HowTo & LocalBusiness, so engines parse you correctly.

Hallucinated-URL capture

We 301 the dead links AI invents to real pages: free traffic competitors drop.

Your first 90 days.

Month 1 · Build

Audit & launch

Brand audit, keyword research, strategy, onboarding. First content live.

Month 2 · Tune

Analyse & optimise

Fine-tune what's landing, double down on early winners.

Month 3 · Compound

Refresh & report

Refresh non-performers, prove results, update the strategy.

Three ways to start.
